
TECHPED SERIES FRAME, TP-F1330

TP-F1330 |

FEATURES & BENEFITS

Middle Atlantic's TechPed™ is an installation-friendly Technology Pedestal that provides under table support while housing equipment and cables; a simple to integrate, easy to service solution ideal for conference rooms & collaboration spaces to meet market demands for localized, discreet equipment mounting & cable management.

- Engineered to maximize space and promote proper thermal and cable management
- Frame to Furniture™ design complements an integrator's installation workflow
- Removable side panels provide effortless access for initial install and on-going maintenance
- Available in a spectrum of finishes to match any meeting room décor
- Patent pending Lever Lock™ accessories maximize rack space and cable management options
- Built-in mounting for optional power strip
- Designed to maximize airflow with built-in passive thermal management
- Height adjustable
- Works as a stand-alone unit or as an active table support
- Current lead times for TechPed T-Lam is 4 weeks
