

MODEL

AMT8050B

Flush lifestyle TV mount

The AMT8050B is the larger version to the 4040B. Capable of supporting flatscreen TV's up to 65 inches and 75kg the 8050B is the perfect choice for larger TV's. A low profile design offers ultra slim line aesthetics whilst a patent pending non slip tilt mechanism and safety device make sure the mount not only looks great but is also safe.
